No 4048/1164 Excise Commissioners Office,
Bangalore dated 12th/13 June 1894.

From

The Excise Commissioner
in Mysore

To

The Superintendent of
Inam Settlement in Mysore

Sir,

I have the honor to request
the favor of being enlightened on
the following points:—

(1) In the last column of the
Inam Settlement Register regarding
Jodi Haligavaderahalli in the Kengeri
Magni, Bangalore taluk, it is
stated that the rights to sayer,
Abkari and Forests are reserved,
indicating that the Jodidar is not
entitled to Excise (Abkari) Revenue, i.e. duty
or license fees on toddy or other
fermented liquors, spirits and
drugs.

(2) In column 19 of the above Register
"Toddy Farm by leasing date trees
"to Government Contractor" is shown
as

as an item of revenue enjoyed by the Jodidar. This taken with what is explained in clause (1) above, evidently means that the Jodidar enjoyed the rent of the date trees in his village but not the duty on toddy, the "Abkari" being reserved to Government.

(3) But in the "Statement of whole Inam villages the holders of which are recorded in the Inam Registers as having a right to toddy Revenue" sent from the Inam Superintendent's office on the 15th March 1889, to the Deputy Commissioner, Bangalore District, the above Jodi village is included. This is evidently a mistake, because the "abkari" which includes toddy, has been reserved to Government at the Inam Settlement.

I have the honor &c.

Excise Commissioner
